Please call-in five minutes before your assigned meeting time and mute your telephone until your case is called.

For cases where the debtor has an attorney, the following requirements apply:

1. Debtor's attorney must have a visual connection with their clients during their testimony (by Skype, Facetime, in-person, etc.); and
2. Debtor's attorney must be able to confirm to the trustee that the individuals testifying are the same as those pictured on the ID provided to the Debtor's attorney and match the information reflected on the bankruptcy petition.

For cases where a debtor does not have an attorney, and a debtor participates in their meeting by telephone, the trustee will conduct the meeting but continue it to a later date so that the debtor can appear to provide the required ID and confirm his or her identity.

Creditors and creditor attorneys may appear by phone and should use the information provided above to join the telephonic meeting.
